

BON SECOURS
Bon Secours Ministries

We, Bon Secours Ministries, stand firmly committed to creating a culture of non-violence in which the dignity of all persons is protected and upheld.

Tragically, we witness all too frequently episodes of violence that take human life and compromise the safety and well-being of individuals and communities.

We will continue to act in solidarity with others to actively eliminate violence in all forms and build safe communities.

In light of this, we wholeheartedly affirm the following statement from the Sisters of Bon Secours.
